

Participatory Presidium: what is it and when is born?

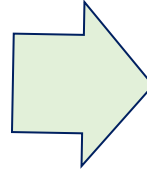

Participatory Presidium: which organizational model?

Participatory Presidium (PP) is a community organisation that collects more than 60 no profit-organisations coming from the Simeto Valley. PP represents the Simeto community in the Simeto River Agreement.

Simeto River
Agreement

EU Life
Simeto RES

Events organized by the **Partecipatory Presidium on a voluntary basis:**

10.26.2018: Kick-off event at the municipal library of Paternò;

05.24.2019: Conference "The hydrogeological instability in the Simeto River basin: Resilience, mitigation and good practices" at the municipal library of Paternò;

05.26.2019: Meeting "LIFE SimetoRES Project - towards a resilient simeto community to climate change" as part of the LIB festival at San Marco station in Paternò;

12.13.2019: Event "The climate changes, the risks increase: adaptation, good practices, sustainable technologies for the Simeto community" organized at Palazzo Alessi di Paternò;

02.07.2020: Conference "Climate change and energy democracy" which took place at the Liceo Classico "M. Rapisardi" by Paternò

Activities foreseen by the project...

Life Simeto RES provides the **implementation of actions** to:

- involve the SRA local communities;
- Increase the awareness about climate changes and the concernig risks;
- Increase the local techical board and freelance technical professionals skills about Blue-Green Infrastructures and other solutions to prevent climate change risks;
- Build co-desing participatory practices which gather different skills and knowledges from the different local actors of the SRA communities.

Project goals listed in the Grant Agreement classification:

- C.3 Trasferibility Labs;
- E.1 Community meetings;
- E.2 Community workshops;
- E.3 Dissemination and networking.

According to **Article II.10 of the Grant Agreement**, for the implementation of the project the beneficiaries need to procure services making use of **external young professional** expertises about:

- **participatory processes management;**
- **local community involvement in SRA projects;**
- **communication and social-media management;**
- **community design.**

Through a public **call for expression of interest** in accordance whit the procurement practise of the beneficiaries.
